CERTIFICATE

**Certification Body Management System No. 3053
TÜV SÜD Czech s.r.o.**

certifies that

Doprastav, a.s.
Drieňová 27
SK – 826 56 Bratislava
Ident. No.: 31333320

The list of sites / associated certificates is stated in the annex to this certificate, the annex is its integral part and contains 2 pages.

has established and applies
a Quality Management System for

- Implementation of transport-related, railways, waterworks and environmental, industrial, underground, residential and civil structures
- Production of concrete prefabricated elements
- Production of vertical traffic signing including its carriers
- Production and assembly of steel structures, bridge bearings and expansion joints
- Placing of soil-cement stabilization
- Construction of the insulation system of bridges
- Production and placing of asphalt mixtures
- Providing of performance in field of prestressing technologies including production of injection grout
- Hydraulic soil improvement
- Pile driving
- Providing of performance of machines with heavy mechanization
- Repair of working machines and road motor vehicles
- Providing the domestic freight road transport
- Design work of constructions
- Quality control

An audit was performed, Report No. **14.880.569**

Proof has been furnished that the requirements according to

EN ISO 9001:2015

**using the guidelines set out in the Methodological Instruction Quality System
in the Field of Road Infrastructure (MP SJ-PK) Part II/4
are fulfilled.**

The certificate is valid from **16.12.2022** until **02.12.2023**

Certificate Registration No. **13.457.774**, revision No. **1**

This certificate is a revision of the certificate No. 13.457.774, issued 03.12.2020.

Details on the scope of competence for the performance of work in the field of road infrastructure are given in the annex, which has 3 pages and which forms an integral part of the certificate.

Prague, 16.12.2022
